

THE DEPARTMENT OF PIPELINE & SCHOOL
PARTNERSHIP PROGRAMS PRESENTS

Community Health Youth Advocates

A Charles R. Drew University and Community
Health Councils Collaborative

CHYA is a multilayered program designed for high school students. Our scholars will be educated on the healthcare landscape, exposed to local and global health disparities, and empowered to pave their own path toward a degree and career in the healthcare field.

The opportunity is calling!

Will you answer?

CHYA is currently slated to begin online in the fall.

Fall 2020 | Community Health & Care Systems

September 26, 2020 - November 14, 2020

8-week component with a focus on the healthcare sector and general exposure to the industry.

Winter 2021 | Rites of Passage

January 30, 2021 - March 27, 2021

8-week component with a focus on self-development, overcoming adversity, and individual resilience.

Spring 2021 | Medical Simulations

April 17, 2021 - June 12, 2021

7-week component with a focus on medical simulations and the application of your studies.

Summer 2021 | Clinical Internships

July 5, 2021 - August 7, 2021

A paid internship session complemented with a \$1,000 stipend awarded for successful completion of the program.

ADDITIONAL SUPPORT PROVIDED BY

UniHealth Foundation, a non-profit philanthropic organization whose mission it is to support and facilitate activities that significantly improve the health and well-being of individuals and communities within its service area.

Kaiser Foundations Hospital Community Benefit Program, whose mission is to improve the health of the communities it serves.
